This is a rare home with more outdoor space than most houses. The single-level residence sits on the ocean-view pool deck level with direct access to the pool area. It pairs 128.10 m² (1,379 ft²) of interior space with an extraordinary 201.32 m² (2,167 ft²) private terrace, perfect for entertaining, outdoor dining, lounging or a garden of your own. The home has 3 bedrooms and 2.5 bathrooms, with views toward the Pacific Ocean and the greens of Santa María. Step out to the 25 m lap pool, island bar, cabanas, solarium, gym, spinning room and saunas, all on your own level. The building adds 42 amenities in total. The ground floor has a wine bar and cellar, a chef's table, coworking, a golf simulator, a game room, a kids' club and a pet garden. The rooftop has a pickleball court, sports lounge and outdoor kitchen. Finishes include 2.80 m ceilings, porcelain tile floors, quartz kitchen countertops, European-style cabinets and closets, a marble-topped master bath with floor-to-ceiling porcelain and a tempered-glass shower, a gas outlet for stove, water heater and dryer, and prov
