Costa Rica - Puntarenas

Baru

Listing ID: 40014899487

TWO Baru homes, draped in spectacular & serene mountain jungle surrounds, resting on a huge 3.53-acre lot for further development - with a mere 7 minutes separating you from the surf & beach vibes of Dominical! Local buyers often have a choice: a serene mountainside escape in the permaculture belt of Costa Rica or a more traditional setting with shops, businesses, highways and touristy buzz. But what if I told you that you can cave BOTH, with a BONUS of spectacular mountain & jungle vistas PLUS the amazing Nauyaca waterfall just a short hop away (this waterfall & her swim holes are one of the most known local tourist attractions). AND let's not forget the exiting development opportunities scattered around this large lot! THE PROPERTY The land sits along a ridge with both homes elevated above the valley and the towering mountains on the opposite side. Rainforests extend in all directions – the monkeys, toucans, sloths, blue morpho butterflies, tree frogs and many other creatures will be your new neighbors! The mountain breezes are near constant companions, blessing
