Curacao - Curacao
Piscadera
Listing ID: 000872160160

The complex is currently being developed on a beautiful and elevated plot in the popular and centrally located neighborhood of Piscadera. The immediate surroundings are characterized by the presence of several hotels and restaurants such as Marriott, Dreams, and the Corendon-Hilton hotel. The popular beaches of Pirate Bay, Marriott Beach, and Playa Parasasa are within walking distance of the complex. Lastly, the central location on the island offers the great advantage that both the UNESCO World Heritage city center, the airport, and the beaches on Westpunt are easily accessible without traffic.The design is by the renowned architecture firm STATE Architects Curacao. STATE has successfully combined modern architecture with a Caribbean twist in the design of Parasasa Luxury Apartments. Great attention has been given to the use of high-quality materials and luxurious finishes, ensuring the complex fully aligns with the stunning location, breathtaking views, and the constant, cooling breeze for the ultimate Caribbean experience.This two-bedroom apartment is characterized by ample natural light, thanks to its layout,
