What is Ocean Reef Island? Ocean Reef Islands are the first and only man-made residential islands in Panama and Central America, an extraordinary community located in the center of the city. It is unique and differentiating because it connects the best of both worlds, the sea and the metropolis. The personal seal of the island is based on the unique lifestyle you can enjoy, luxury and exclusivity accompany it. You can enjoy; Heliport. Yacht club. Private Marina. Watersports Club. Private restaurant for owners. This beautiful and exclusive set of apartments is located in Panama City, Punta Pacifica. They range from 147 m2 to 530 m2. It offers traditionally 2-3 bedrooms and 2 bathrooms up to 3.5. Their prices range from $920,000 to $2.5 M, depending on the size and residence. The most representative thing is that the apartments have different amenities depending on the domicile, that is, each neighbor has its own benefits in its building. Generally the apartments have a balcony, a practical laundry area, bathroom in the rooms, a modern open kitchen, and a colossal panoramic view. External
