Trophy Bay Fishing Resort is a private waterfront community on Panama's Chiriqui Gulf, set on 35 acres of tropical landscape bordered by protected mangroves. It has direct access to Hannibal Bank and Coiba National Park, two of the most celebrated sport fishing grounds in the Pacific. Phase 1 introduces an exclusive collection of only seven Garden Villas, with six residences currently available. Each villa offers 4,263 sq ft of total living space, made up of 3,046 sq ft of interior space and 1,216 sq ft of outdoor living. The three-bedroom layout extends over two levels: An open-concept ground floor joins the living room, dining room and kitchen. The living areas open onto an expansive covered terrace with an infinity-edge pool and a stone-clad outdoor kitchen. On the upper level, the bedroom suites open onto a private terrace overlooking the bay. Floor-to-ceiling glazing, natural wood, stone and generous roof overhangs give the villas their warm, contemporary tropical design. Villas sit on private lots ranging from 10,527 sq ft to 18,675 sq ft, providing privacy and lush garden surroundings. Pric
