A large, modern, serene house on the 1.86 acre lot, 3km from the world’s top biodiversity hotspot but only a few minutes’ drive from services, amenities and idyllic tropical beaches! Have you ever dreamed of living in a place so wild, exotic and teeming with life that it has been named “the most biologically intense place on Earth" by National Geographic? This place is called Corcovado National Park and it is less than 3 km away from this modern 4 bedroom home! And if that wasn’t enough, there are dozens of pristine, post-card tropical beaches up and down the Pacific coastline which sits a mere 1.5km from the property. Yet despite the untamed, primeval surroundings it may be a surprise that modern-day necessities and luxuries are all around you – the nearby Puerto Jimenez and surrounding areas are full of shops, restaurants, services, gas stations & mechanics, exciting activities and a regional airport that can be reached in 10-15 minutes. The flight to San Jose takes just 50 minutes. A detached multi-vehicle carport provides sun and rain protection but on a very wet day you an
