Costa Rica - Puntarenas
Aguirre
Listing ID: 400201354367

Hidden within the lush rainforest of Manuel Antonio yet only minutes from the beach, this remarkable property offers the best of both worlds: total privacy and proximity to everything that makes this area one of Costa Rica's most desirable destinations. Set amid a mature tropical garden with vibrant ornamental plants and fruit trees, this residence consists of two completely independent homes—a rare find in the Manuel Antonio market. The main villa spans two levels, where open spaces, natural light, and elegant finishes define the interior. On the entry level, the open-plan kitchen and living area connect seamlessly with the covered outdoor dining terrace, creating an inviting flow for entertaining or relaxing. Upstairs, two spacious en-suite bedrooms open onto a private terrace with views of the rainforest canopy and the kidney-shaped pool below. A stone pathway winds through the gardens to the detached guest house, a beautifully designed one-bedroom residence featuring its own terrace, living area, and full bathroom. This separate unit provides exceptional flexibility: it can serve as a gu
