Through the impressive entrance you enter the living room with an adjacent spacious open kitchen. The kitchen has been carefully designed and equipped with all modern conveniences, including a spacious cooking island, an electric hob, a dishwasher, a combination oven and a fridge/freezer combination. The living room extends into a large terrace (130m²), of which 60m² is covered. The sliding doors can be completely retracted into the walls, making the inside feel like outside. The villa is built well on the wind, which ensures a cooling breeze, the spacious porch offers plenty of shade where you can relax and offers enough space for a lounge set and dining table. To the left of the terrace is a lovely swimming pool with lounge deck to enjoy the necessary cooling and the Caribbean outdoor life. The master bedroom is located in the left wing of the house, which has been designed with an eye for detail and comfort. From here you also have direct access to the porch with an amazing view. This master bedroom has a spacious walk-in closet that offers sufficient storage space for all your clothing and accessories and a spac
