This villa was built in 2020 by Aquarius Caribbean, a prestigious construction company that has delivered many dream homes to high-end clients. Aquarius Caribbean is a sought-after and reliable contractor with 35 years of experience in Europe and over ten years in the Caribbean. In partnership with IHC architectural design, this home features unparalleled craftsmanship, creativity, attention to detail, and quality. Built on a beautiful bluff, the villa "Felix Meritis" is accessed through a stately entrance and long driveway. Surrounded by palm trees and well-manicured grounds, this home provides a striking welcome from the moment you enter the estate. Designed with a lovely sense of symmetry, the main villa is centered around the entertaining spaces and the breathtaking views directly out of the sliding glass doors. A central staircase separates these public spaces from the private sleeping quarters. The central living room, with a TV annex or seating area, provides lovely sea views. The well-equipped kitchen, complete with two dishwashers, two refrigerators, and a wine fridge, is bright and spacious an
