Property for Sale in Masca, Omoa, Honduras We invite you to visit this exceptional property for sale, located in the Masca Sector, a picturesque village in the coastal municipality of Omoa in Honduras. This extensive plot of 9,167 square meters offers a Mediterranean-style house with 397 square meters of construction and several improvements that make it special in its type. The main house has two levels. On the first level, an open floor plan welcomes you with aluteja ceilings and decorative exposed beams. The half-moon sliding wooden windows allow natural light to illuminate every corner, creating a warm and cozy atmosphere. Here you will find a hall, living room with fireplace, kitchen, breakfast room, dining room and a second TV room. In addition, three bedrooms have access to a terrace, and the master bedroom has a jacuzzi and dressing room. The second level, which is under construction with 70% completed, offers an open terrace with views of the El Merendón Forest Reserve and a bedroom with sea views. In addition to the main house, the property includes an apartment with a bedroom and bathroom, a
