A Stunning Architectural Marvel! This Beautiful Resort-Hotel for sale in Uvita, on the Doorsteps of Marino Ballena National Park, is a Slice of Tropical Paradise. With 12 Apartments, a 2-Bed House and a Beautiful Sunny Pool, the Money-Making Potential is Very Lucrative! A TRIUMPH OF TROPICAL DESIGN The beautiful, dynamic styling of the 0.35 acre resort and grounds boldly capture the gaze long before one arrives at the front gate! This architectural masterpiece is a striking example of contemporary geometry-driven aesthetics. The hotel's silhouette is defined by sharp angles and intersecting planes, suggesting movement and tension. This effect extends to the perimeter fencing, the beautiful entrance gate, and the dramatic superstructure that towers above the large swimming pool. The hotel's blue exterior paired with a beautiful rainforest mural, crisp white elements and the turquoise swimming pool evokes a coastal rainforest vibe—fresh, inviting, and unmistakably designed for tropical climates. The high, greenery-covered perimeter wall creates a natural privacy screen
