Blue Bay

Listing ID: 000871389073

The Reef II, at Blue Bay Golf Resort in Curacao, is a luxurious development comprised of 14 3-bedroom apartments and penthouses on an 8,000 M2 lot. It is the third and final development in The Reef series consisting of The Reef I and The Cape. Its breathtaking views make this one of a kind project with unparalleled attention to detail. Reef II is designed by renowned architect Henk Bolivar. The development uses the highest quality materials, including imported elements from Europe, to create a stylish, fresh, and contemporary interior. All apartments offer three spacious bedrooms, each with their own model bathroom. The fixtures for each bathroom can be selected from either matte black or brushed bronze and offer uncompromising quality and luxury. The kitchens for each unit are designed and manufactured by ILB, a Belgium premier interior design company, seamlessly fitting into each home's unique design and providing all necessary kitchen appliances. The first-floor apartments have a covered porch and wooden pergola along with their own private pool. The penthouse apartments offer spectacular views of the
