The open layout of the villa creates a natural connection between the kitchen, living area, and outdoor spaces. Large windows, a generous sliding door, and high ceilings allow abundant natural light to flow in, enhancing the home's open and airy character. When the sliding door is fully opened, it creates a seamless transition to the garden and swimming pool, beautifully blending indoor and outdoor living. At the heart of the home is a modern-designed kitchen with a spacious island. The kitchen is equipped with sleek fittings and high-quality built-in appliances, including an oven, microwave, dishwasher, and a five-burner cooktop, offering ample workspace and storage. The master bedroom is generously sized and features a walk-in closet and an en-suite bathroom with a walk-in shower, double vanity, and toilet. This bedroom overlooks the swimming pool and has direct access to the terrace and pool area through double French doors with shutters, creating a relaxed and comfortable atmosphere. In addition, the villa offers two bedrooms that share a bathroom, as well as a fourth bedroom with its own en-suite bathroom.
