Curacao - Curacao

Blue Bay

Listing ID: 000872160142

Designed to embrace Curaçao's indoor-outdoor lifestyle, the home centers around an expansive covered porch that spans nearly the entire width of the villa. From here, enjoy unobstructed sea views and watch cruise ships and local fishing boats pass along the coastline, with occasional dolphin sightings offshore. Inside, vaulted ceilings and an open-concept layout create a bright and inviting living space. The living room, dining area, and kitchen flow seamlessly together, while large doors connect the interior to the outdoor living areas. A custom-built media wall and two integrated office workspaces add both functionality and flexibility to the living space. Renovated in 2022, the custom-designed kitchen features a large Dekton island, extensive cabinetry, a dedicated coffee station, and a premium appliance package featuring a Bosch refrigerator, Samsung double oven with steam functionality, Samsung combination oven/microwave, Samsung induction cooktop, two Bosch dishwashers, an HCK wine cooler, and a Quooker instant boiling water system. The villa offers four generously sized bedrooms with custom-built cabin
