Blue Bay

Listing ID: 000872160146

The entrance is both thoughtful and impressive. A large, solid wooden front door opens into a private reception area with seating, creating a moment of calm before entering the home through elegant glass doors. From the very first step, the residence radiates class, spaciousness, and meticulous attention to detail. Outdoor living is elevated to an art form. Two swimming pools, spread across two levels, form the centerpiece of expansive terraces that appear to float above the coastline. Frameless glass balustrades ensure unobstructed views over the azure ocean, while multiple lounge and entertainment areas provide a first-class setting to enjoy Curaçao's sunsets and refreshing sea breezes. The main-level pool terrace features a resort-style infinity pool, generous sunbathing areas, and a private outdoor rain shower. Every element is carefully positioned to ensure optimal privacy and maximize ocean views. The main floor unfolds into a refined open-plan living space, anchored by a custom-designed designer kitchen with a sculptural island, premium appliances including Gaggenau, and bespoke oak cabinetry.
