Panama - Panamá
Panama - Punta Paitilla
Listing ID: 002391912104

Experience a rare opportunity in Punta Paitilla: a 442 m² / ~4,758 ft² luxury residence in Miradores, a boutique low-rise oceanfront building surrounded by gardens, greenery, and a nearly private pool overlooking the Bay of Panama. In a neighborhood dominated by high-rise towers, Miradores offers something truly exceptional:the feeling of living in a private coastal home, with peace, privacy, and a residential atmosphere rarely found in Panama City. This residence features: 4 bedrooms, each with en-suite bathroom 2 family dens Large living and dining areas with direct terrace access Spacious closed kitchen Deep oceanfront terrace with panoramic views of the skyline, Casco Viejo, and Ancon Hill Parking + storage What makes it unique Low-rise architecture a home-like living experience instead of a conventional tower Nearly private oceanfront pool facing the bay Lush gardens and outdoor areas that feel like a house with a yard Only 2 apartments per floor, ensuring complete privacy Wide-open views, natural light, and a quiet, elegant environment One of the few
