This proposal, redefines residential living in one of Panama's most exclusive enclaves, with a concept designed for a global clientele that values privacy, design, and uncompromising excellence. Limited to just 14 residences, this boutique project offers spacious apartments ranging from 495 m² to 512 m², meticulously designed to provide exceptional proportions, open views of the golf course, and a living experience that balances elegance and functionality. From the moment you arrive, Lumina sets a superior standard. A refined porte-cochère and lobby introduce a collection of amenities conceived as a natural extension of the home: a wellness center with sauna and cold plunge, a fully equipped gym, a private lounge, a swimming pool, and terraces and gardens that invite relaxation and well-being. Each residence has been conceived with an "inside-out" architectural approach, where the interior spaces dictate the experience: Ceiling heights up to 3.45 meters Large double-glazed windows with direct views of the golf course European marble floors Contemporary Italian kitchens with quartz or
