14 Patios – A Private Community Where Nature Defines the Lifestyle Located in the exclusive neighborhood of Altos del Golf, in the heart of Panama City, 14 Patios is a residential concept designed as an intimate community surrounded by nature, offering tranquility, security, and a seamless connection to its environment. Developed by RE_FORMA as its second residential project, 14 Patios introduces a contemporary architectural vision that preserves the existing vegetation, creating an authentic natural setting where every space feels harmonious and alive. An Exclusive Residential Concept The project consists of only 14 residences, ensuring privacy and exclusivity. Each home is thoughtfully designed across three levels with a total of 318.80 m², integrating patios, terraces, and open spaces that enhance indoor-outdoor living. Design Centered Around Nature Nature is the core element of the project. Each residence features a private patio of approximately 45 m², conceived as the heart of the home—bringing in natural light, cross ventilation, and constant greenery. A beautifully designe
