Welcome to the tropical paradise of Tierras Altas, Cerro Punta, in the exclusive Guadalupe sector. Discover a one-of-a-kind home surrounded by lush tropical forests, where nature becomes your neighbor and adventure awaits at every turn. This stunning home, constructed with imported and treated pine wood guaranteed for 20 years, has been designed for nature enthusiasts seeking a life of luxury and comfort in an unparalleled setting. With just three years since its construction, this property is a true gem. Located at approximately 2200 meters above sea level, you'll enjoy an average temperature of 14°C, providing a cool and rejuvenating climate throughout the year. The land spans an area of 22,205.31 m², and the covered construction complex of approximately 430 m² includes a cabin/sauna, parking, and storage, in addition to the impressive main residence. The house features 3 spacious bedrooms and 3 bathrooms, including a master bedroom with its own private sauna. The architectural design, led by the award-winning architect Alfredo Boza, showcases large windows that offer panoramic views of the surroundings
