Welcome to the "New Nature": Where design and origin converge. In the heart of Panama's most exclusive community, Santa María, emerges a residential proposal that redefines traditional luxury. Bosco is more than just a project under construction; it is a lifestyle manifesto designed for those seeking to reconnect with the essential without sacrificing urban sophistication. Allow yourself to be captivated by an environment where greenery is not just a color, but the protagonist of every space. A Concept That Breathes Inspired by the Italian word for "forest," Bosco has been conceived to integrate the freshness of the natural environment with avant-garde architecture. Here, the beauty of nature manifests in every detail: from the grand entrance to the expansive terraces that invite you to contemplate the horizon. Why Choose Bosco? Prime Location: Situated in Santa María, the area with the highest appreciation and security in Panama City. Organic Architecture: Spaces that maximize natural light and ventilation, creating micro-climates of well-being. Unrivalled Views: Enjoy panoramas that b
