Ocean Reef Park: The Pinnacle of Residential Luxury and Exclusivity in the Pacific Located in lots 62 to 65 of Ocean Reef Islands, the first and only man-made islands in the Pacific Ocean, the Ocean Reef Park project redefines the standard of oceanfront urban living. This development offers its residents a private island lifestyle just minutes away from the economic and cultural heart of Panama City. Residence Typology, Sizes, and Layouts The architectural design of this enclave prioritizes low density to guarantee absolute privacy for its owners. Property Types: The complex is highly exclusive, housing only 17 townhouses and 3 boutique-style apartments. Lot Areas: The private lots for the villas and townhouses range from 517 m² to 1,039 m². This expanse guarantees unmatched outdoor spaciousness, allowing for optimal separation between residences and providing the perfect canvas for custom landscaping and terraces that seamlessly merge with the island's natural surroundings. Construction Areas: The architectural surfaces span from 456.26 m² to 758.78 m². This extraordinary square f
