Panama - Punta Pacifica

Listing ID: 003244106058

Your Home in the Heart of the City, with the Privacy and Lifestyle of an Island An exclusive residential development located in Ocean Reef Islands, off Punta Pacífica in Panama City. Set within the first artificial islands in the Pacific Ocean, this unique community combines the tranquility and privacy of island living with convenient access to Panama City's financial, commercial, and cultural districts. Residents enjoy a private environment with access to marinas, a yacht club, and premium amenities, along with security and thoughtfully designed spaces for an elevated waterfront lifestyle. Its privileged location places residents just minutes from the city's main business districts, restaurants, shopping centers, and essential services, while preserving the exclusivity and privacy of an island community. AVAILABLE RESIDENCES: Ocean Reef Park currently offers a limited selection of available residences, presenting an exceptional opportunity to own a property in one of Panama City's most exclusive residential developments. The available inventory includes luxury apartments and houses with generous floor
