\$ 1,600,000.00 USD

Panama - Coclé

Anton - Santa Rita

Listing ID: 003344666007

Discover this beautiful 4.6-hectare estate in Antón, Coclé, offering an exceptional combination of space, privacy, tropical surroundings, and convenient access. Located directly on a main road and only approximately five minutes from the Pan-American Highway, this property provides the tranquility of country living while remaining well connected to the surrounding area. The estate features predominantly flat land with expansive green areas and an attractive palm plantation that gives the property a distinctive tropical character. Its generous size and usable terrain provide plenty of space to enjoy the property as a private residence while also offering excellent potential for future development or investment. The main residence is offered fully furnished and is complemented by a private swimming pool and gym, creating a comfortable setting for both everyday living and weekend retreats. Additional features include a private water well and an electric entrance gate, providing greater convenience and independence. Property Highlights: 4.6 hectares of land Predominantly flat and usable terrain F
