Listing ID: 003361912145

A full building for sale in Santa Ana, at the edge of Casco Viejo, offered at USD 1,200,000. The property has a 474 m² lot and 1,365 m² of construction over three levels. Its current layout includes a skylit central atrium, a reception and lobby, a meeting room, a kitchen, a laundry and 40 rooms. That makes it a strong base for a boutique hotel, upscale residences or a mixed-use project. The building is on Calle C, steps from Santa Ana Park, in the heart of a creative district where six historic buildings are being revitalized into homes, shops and cultural spaces.
