This is the largest property in the collection. The detached residence sits on a 993.45 m² (10,693 ft²) lot, with the best value per square meter of land in the project. It offers 477.18 m² (5,136 ft²) of interior space, 758.78 m² (8,167 ft²) of total construction, 4 bedrooms, 4.5 bathrooms and 3 parking spaces, with generous room for gardens and outdoor entertaining. Finishes include large-format Travertine Vein sintered stone, a designer kitchen with island, a spa-style master bath with a smart toilet, brushed nickel fixtures and graphite-framed floor-to-ceiling windows. It sits inside the gated Santa María Golf & Country Club, with an 18-hole Nicklaus Design golf course, a Country Club and 24/7 security. Contact me for a private presentation.
