Space, privacy and nature come together in this single-family home at Casa Bosco, inside Santa María Golf & Country Club. It sits on a generous 929.57 m² (10,006 sq ft) lot, one of the largest in the project. The home has 758.78 m² (8,167 sq ft) of construction, including 477.18 m² of interior living space and 281.60 m² of terraces and parking. It has 4 bedrooms, 4.5 bathrooms and 3 parking spaces, designed for families who want room to grow and to entertain. Residents are part of the Bosco di Santa María community, built around a private central park with lagoon pools, waterfalls, trails, a yoga deck, outdoor cinema, pickleball, a pump track and a pet garden. The community is minutes from Santa María Village Center, Pacífica Salud Hospital (affiliated with Johns Hopkins Medicine) and top international schools, and about 15 minutes from Tocumen International Airport. Schedule your private tour today.
