This is one of the best values in Casa Bosco. The single-family home is inside the prestigious Santa María Golf & Country Club, with 758.78 m² (8,167 sq ft) of construction on an 845.66 m² (9,103 sq ft) lot. That includes 477.18 m² of interior space and 281.60 m² of terraces and parking. It has 4 bedrooms, 4.5 bathrooms and 3 parking spaces, ideal for families, executives or anyone relocating to Panama who wants a home surrounded by nature without leaving the city. As part of Bosco di Santa María, residents enjoy a private central park with lagoon pools, a kids' pool and splash area, waterfalls, trails, an outdoor cinema, pickleball, beach volleyball and a pet garden. It's close to international schools, Pacífica Salud Hospital, Santa María Village Center and major banks, about 15 minutes from Tocumen Airport. Contact us today to schedule your visit.
