FOR SALE

$ 1,411,000.00 USD

Panama - Panamá
Panama - Santa Maria
Listing ID: 003361912233

This is Guayacán's highest available residence: floor 45, just below the penthouse. It offers 3,983 sq ft with 4 bedrooms, 4.5 bathrooms, den, family room, balcony and service quarters, with views over the Santa María golf course and the city. It sits in a gated community with more than 20 amenities and direct access to Corridor Sur and Tocumen Airport. It is a rare high-floor opportunity in a project where most units are already sold, a strong fit for international buyers who want a trophy condo in Panama.
