Welcome to Luxury Residences at Paseo del Este by Valor Development, a gated community in Costa del Este, Panama City's most sought-after neighborhood for international families and executives. This contemporary home has about 627 m² (6,749 sq ft) of living space on an 870 m² (9,371 sq ft) lot. It has 5 bedrooms with their own bathrooms, His & Her closets in the primary suite, a family room, a separate den or home office, and service quarters with a laundry room. The double-height living and dining area opens onto a covered terrace, a deck and a private pool (3.7 x 9.5 m). Finishes include an Italian kitchen and marble floors, and there are 4 covered parking spaces with direct access to the house. You're minutes from international schools, hospitals, shopping, the corporate district and Tocumen International Airport. It works for relocating, as a primary home, or as a long-term investment in one of Panama's most solid markets.
