FOR SALE

$ 1,300,000.00 USD

Belize - Stann Creek District
Placencia
Listing ID: 10007154370

Rarely does such a unique property like this become available for sale. This ultra-modern home is located in a water community offering privacy and stunning views which include the famous Maya Mountains and Victoria Peak. Upon arrival at the property you are greeted by an organic garden. Floor to ceiling glass allows the outside to flow inside the home and bring in an abundance of natural light while capturing views of the surroundings. This home is a mélange of steel, glass, Bullett tree, Salm wood and concrete. The oversized glass doors allow you to enjoy outdoor living at its finest while overlooking the saltwater pool and Placencia Lagoon. Entertain with your family and friends as you gather around the outdoor kitchen to enjoy a BBQ. This ultra-modern house for sale Belize has top end Samsung appliances, kitchen fixtures and other top end luxury details throughout this home. This property is move-in ready or could be used as income property. Other features include two oversized master bed-rooms, 2 standard rooms and 4 bathrooms, and the entire rooftop is a lounge area perf
